## INTRODUCTION

**Dear Colleagues,**

On behalf of the International Honey Commission , IHC, it is our great pleasure and honour to welcome you to attend the “ IHC 2016” meeting that will be held from 27 to 30 October, 2016 in Antalya, Turkey. We hope you will all enjoy your stay in Antalya, the capital of the Turkish Riviera that dates back to 150 BC, when it was founded as a seaport to the ancient Pamphylian city of Perga, the seat of the worship of “Queen” Artemis, a purely Anatolian nature goddess.

With your presence and contribution, the IHC 2016 will be bound to be a most rewarding reunion at very high scientific standard. For this, we cordially thank all of you for your support and participation to the meeting. This meeting will be organized for the first time in conjunction with Apimondia.

We hope that during your stay here in Turkey, you will all have a great opportunity to personally meet the members of the IHC Community and so to share your ideas and opinions about bee products.

The international exhibition which will take place in the Congress venue, will definitely be a building block and opportunity for exchanging knowledge, experience and know-how for the sector including packaging companies, importers, exporters, producers of bee products and beekeeping equipment and also laboratory services and equipment specialized in the analysis of bee products.

We do believe that the Congress will provide a wonderful opportunity to exchange and develop knowledge for the bee products sector, related industry and traders, researchers and scientists, academia, legislators and laboratory equipment and service companies interested in the area of adulteration, authenticity and residues of pesticides & veterinary drugs of valuable bee products.

We wish you a wonderful stay in our country and hope to welcome you soon.

With our kind regards,

**Organizing Committee**
